

State Results 2011

First of all we at WSMC cannot thank all of you enough for your help at State. We also appreciate your patience with my (flat tire caused) tardiness. And now we have to ask for your forgiveness on a scoring error. In the Topical Team Division II, somehow part one scores were placed in the total score column for a few teams. That error has been corrected and the new totals calculated. First place did not change but second and third did. We at WSMC have a policy for not asking for awards to be returned. However, those that did earn second and third will be mailed duplicate awards as soon as they can be made. Congratulations to the Seattle Prep Team that placed second with 106 and the Connell Team that placed third with a score of 101.

From the comments heard, we believed all had fun. Coaches' envelopes that were not picked up after the awards ceremonies will be mailed.

Thanks again,
Jim Miller
