

ANNOUNCEMENT

THE RITA LOWE SCHOLARSHIP

College Division

The Washington State Mathematics Council and the Puget Sound Council of Teachers of Mathematics are proud to offer again the Rita Lowe Scholarship program.

For the 2009-2010 academic year, there will be two \$1000 scholarships awarded to students currently enrolled in a college or university in the State of Washington, and possibly a third scholarship at the selection committee's discretion.

Any student who is currently attending a college or university within Washington State majoring in Mathematics Education and pursuing teaching certification in order to become a professional mathematics educator (teaching mathematics at elementary or secondary level) is eligible to apply for the College Division Scholarship.

Any eligible college applicants must use the following application. The application form may be downloaded (www.wsmc.net), printed, and/or copied as needed. Applicants are to complete the application form and return that form and all other required documentation (outlined in description following), postmarked by May 15, 2010 to:

Rita Lowe Scholarship Committee

Pat Reistroffer – Chairperson

146 Scenic View Dr.

Longview, WA 98632

In making the selection of the recipient, the committee will give consideration to academic achievement, demonstrated intent to pursue mathematics education, academic potential and leadership potential.

APPLICATION PROCEDURES

1. The applicant should request that an official transcript documenting all college work, be submitted to Pat Reistroffer at the address given above.
2. The applicant should complete the application form and send it accompanied by the 300 – word statement and the list and description of academic awards and honors, to the same address.
3. The applicant should request that the two required letters of recommendation be sent to the same address.
